### Shanghai Sffiltech Co.,Ltd

Sffiltech is a industrial company specializing in flfluid filtration system R&D design, production-manufacturing, sales and service, import and export trade and so on. The company provides full automatic back washing filtering housing system, full automatic intelligent process filtration housing system, bag filter housing system, filter element, transmission and control system, etc. Our product series reflfects the characteristics of "quality, value, safety, and environmental protection", and its quality has reached even more than the international level of similar products, with highly competitive price. Company' s professional flfluid R&D technology, high quality product series, rich application experience and excellent service system can fully meet the flfluid filtration, delivery and control demands of customers in the industrial fified; by continuous improvement and innovation, Sffiltech filter will become a high quality filtration system suppliers with key competitive power of the world.

### 上海三帆净化科技有限公司

三帆是一家专业从事流体过滤系统研发设计、生产制造、销售服务、进出口贸易等业务的实业公司。公司提供全自动反冲洗过滤系统、全自动智能工艺过滤系统、袋式除尘器系统、滤芯、传动控制系统等。我们的产品追求“质量、价值、安全和环保”，其质量已具有国际同类产品水平，价格极具竞争力。三帆具有专业的研发流体技术，产出高质量的优质产品，拥有丰富的应用经验和优良的服务体系能充分满足工业领域客户的流体过滤、输送和控制需求；通过不断的改进和创新，三帆公司将成为具有世界主要竞争力的高品质过滤系统供应商。

**ull Automatic Filter Housing System 全自动过滤器系统**

1. Full automatic back-washing ffilter housing 全自动反冲洗过滤器
2. Modular back-washing ffilter housing 模块化反冲洗过滤器
3. Full automatic inner scraper ffilter housing 全自动内刮板过滤器
4. Full automatic outer scraper ffilter housing 全自动外刮板过滤器

**Bag Filter Housing System 袋式过滤器系统**

1. Quick opening multi-bag ffilter housing 快开多袋过滤器
2. Mussels opening multi-bag ffilter housing 蚌开多袋过滤器
3. Rocker arm multi-bag ffilter housing 摇臂多袋过滤器
4. Top entry single bag ffilter housing 顶入式单袋过滤器
5. Side entry single bag ffilter housing 侧入式单袋过滤器
